To Whom It May Concern,

I am pleased to recommend **Mr. Muthukuda Arachchige Kevin Senuja Dias**, who successfully completed his **Machine Learning Internship** with **Unified Mentor Pvt. Ltd.** during the period of **Nov, 2025 to Feb, 2026**.

During the internship, he worked on assigned **Mobile Phone Price Prediction** and **Detect Heart Disease Prediction** projects involving data preprocessing, feature engineering, model building, and evaluation using tools such as Python and Scikit-learn. He demonstrated strong analytical skills, quick learning ability, and a disciplined approach to problem-solving.

Mr. Muthukuda consistently displayed strong analytical thinking, problem-solving skills, and the ability to translate data-driven insights into meaningful outcomes. He was proactive in learning new concepts, receptive to feedback, and showed continuous improvement throughout the internship. His commitment and discipline were evident in the quality and timeliness of project deliverables.

Based on their performance, I am confident that Mr. Muthukuda possesses the technical foundation, curiosity, and professional attitude required to excel in the field of **Machine Learning**. I strongly recommend him for future academic pursuits or professional opportunities in this domain.

For any further verification or information, this letter may be referred to **Unified Mentor Pvt. Ltd.**

Sincerely,

**Drishti Madaan**
